[From Pomeroy's New York Democrat.

Another Glorious Victory!

God bless our noble President.

Many are the conquests made by

the immortal Grant, from the time

he steered his father's cow, by the

tail, through a mud-hole—from his

currying “Old Dave,” his father's cor-

rowing horse, of the heavens—from

his capture of the Pacific coast—his

capture of D. Madison, of Vicksburg,

of Richmond, of Appomattox Court-

house—from first to last—from his

infancy to the close of his grave

career at the Wilderness! But

none of these are more brilliant than

the victory our President and Com-

mander-in-chief of our armies lately

won over a railroad conductor.

It was a brilliant exploit of the

President's—deliberately lying to

President Johnson, then by winning

the nomination for the Presidency.

That was another brilliant exploit

of his—visiting New York on busi-

ness; attending a wedding party at

Brooklyn, drinking himself stone

blind, being helped to the cars, taken

to Philadelphia and picked away in

a hotel twenty-four hours, till reason

could perch itself once more on top

of his extensive brain.

It was a brilliant victory when he

attended the funeral of Rawlins

winding up the festivities of the day

with a state dinner and a glorious

old drink.

It was a glorious achievement

when, with his dear brother-in-law

Corbin, he piled in a few fortunes

from the gold panic of that Friday

which was lucky to him, but unlucky

to honest men.

It was another brilliant victory—

his fleeing from Pennsylvania

on Sunday, breaking State laws and

coming, eluding one of the party to pay

a fine to prevent his arrest.

But the greatest victory is his last

achievement. General Thomas, a

military man, an honest man, and a

gentleman, died in California. The

President ordered him sent there to

be out of the way politically, and

there he died. His remains were

brought to Troy, N. Y., for interment.

To show respect to departed great-

ness—that respect the President took

of the military power of the country

would show Stanton, for the reason

that he committed suicide—the

President and several others high

in authority left their official duties

at Washington to attend the funeral

of the lamented Thomas.

The President won a victory over

Governor Hoffman, who kindly ten-

dered him the use of the Executive

mission at Albany. The President

declared making himself comfortable

therein for the reason that he must

have been the grave of one of his

greatest Ge. erals—a remon and

drunken supper of the Army of the

them behind. President Grant re-

plied to this:

“I am good for the amount. The

company can send in its bill.”

To this the conductor replied that

the railroad company was not in the

habit of doing business that way.

After some parleying, a telegram was

sent to Mr. J. N. Tousey, Superin-

tendent of the Hudson River Rail-

road, informing him of the state of

affairs and asking instructions. He

Koskoo.
This medicine is rapidly gaining the confidence of the people, and the numerous testimonials of its virtues given by practitioners of medicine, leaves no doubt that it is a safe and reliable remedy for many of the blood, liver disease, &c.

The latest Medical Journal contains an article from Prof. R. S. Newton, M. D., President of the E. Medical College, City of New York, that speaks in high terms of its curative properties, and gives a special recommendation of Koskoo to the practitioners of medicine. This is, we believe, the first instance where such medicines have been officially endorsed by the Faculty of any of the medical colleges, and reflects great credit upon the skill of Dr. Lawrence, its compounder, and also puts "Koskoo" in the rank of all other medicines at the present day.

Money Found.
A gentleman found a roll of a money in town. For further particular apply to the City Marshal.

A Safe Return.
Yesterday we learned from people that John Riggs and Mrs. Sarah Asbury had returned, from their wild goose chase. It will be remembered that some four weeks ago, Mr. Riggs eloped with Mrs. Asbury from Mt. Olivet, Robertson county, leaving a wife and several children. Last Thursday he returned to his home, and the bosom of his family. He says that the Devil took him away but that God Almighty brought him back. The gay and festive widow is said to be as handsome as she is witty. Mr. R. should emigrate.

Rather Ancient.
Our young friend Gano Kelly, presented us yesterday with a piece of coin made in the days of George the Third, King of England. It is dated 1766, and is 194 years old. Gano informs us that he found it on the land of Uncle Joe Shawhan, South of Lairs Station, and is of the opinion, that it is a portion of the money with which that gentleman commenced business. If it is true Uncle Joe must be older than the Kentuckian asserts that he is.

Hogs.
Cutler & Bro., who resides in this county, just above Broadwell, sold 102 hogs to J. Reneker, Jr., all of which averaged 250 pounds.

Church of the Advent-Protector Episcopal.
Last week the Rt. Rev. Bishop Cummins, held Spring Visitation Services in this Church, and administered the solemn and beautiful rite of confirmation to six persons. The good Bishop's eloquent and earnest discourses were, as usual, full of evangelical truth. His lecture on "Paris under Louis Napoleon," was a wonderful and vivid effort of word painting, carrying an intelligent audience with him, as in reality through the magnificent scenes of the Queen of modern cities.

The Church has been newly colored and painted inside, by the new and enterprising firm of Hunt & Payne, of this city, and looks handsome and comfortable. The liberality and excellent work of this young firm, has already secured to them extensive patronage. Any person wishing to see a good job of calceining should pay a visit to the Church.

The next meeting of the Mite Society will be held at the residence of the Hon. W. W. Trimble, on Friday (to-morrow) evening at 7.30.

On Sunday next, the Rev. Dr. Tenen, of Lexington, will preach morning and evening, and administer the Holy Communion, after morning service, to which all who love the Lord Jesus Christ are cordially invited.

Dyspepsia and Indigestion.
These great scourges of our people can not be too well understood, or the means of averting or curing them too highly appreciated. The person who discovers any means of cure or alleviation, confers a benefit upon his fellows, and is deserving of honor. This desirable consummation has been achieved, and not only dyspepsia is cured, but it may be prevented by the use of Hoodland's German Bitters which medicine is spoken of in terms of the highest commendation by thousands who have tested its efficacy. For sale by all druggists. Not alcoholic.

Punchinello.
The new funny paper in New York, proposes to have Stone, of the Journal of Commerce; Wood, of the News; Marble of the World; and Brick, of the Democrat, put their heads together and make a new conglomerate parent for that city.

Town Talk.
In this county we are blessed with excellent weather just at this time. Jno. A. Williams, Esq., Assistant Editor of the True Kentuckian, was in town Tuesday, looking hearty. He is about going to the Hot Springs in Arkansas. We wish him much good luck.

Mrs. Noah Patterson, brought ten pounds of butter to town the other day, and having alighted from her buggy, sent the butter by a lad to the parties who had purchased it, and dinner time being on hand, the establishments were closed, the lad set the butter down in some entry and left it for a moment, and found the butter had walked away, during his absence. Owing to the fact that the butter was only one week old, it is a mystery how it could walk.

We understand that the Catholics will commence the rebuilding of their Church in this city soon.

Mr. John Reneker, has commenced house-keeping again, at his residence on Main Street.

Mr. Munday, our fellow-citizen, who lived in the northern part of town, has sold out and moved to Lexington.

Elder Case's new residence is about finished, and we hear he will move into it this week.

We hear a report in circulation, that our Catholic friends are about to establish a Female College in Cynthiana. We hope they will.

Some man is building a frame house at the South end of Main Street.

Judge Curry's Court is in session. It has become one of considerable importance.

Matt. Turner, Esq., was in town on Tuesday, genteelly dressed as usual. He lives at Paris, the capital of the Bourbon Nation, and is one of the best lawyers at their Bar.

A bridge over Licking River at the foot of Pleasant, is again being discussed. Everybody is for it, and our Agricultural Directors, that bridge must be built this fall.

Mr. Grinan, our Street Commissioner has made an excellent improvement on the corner of Walnut and Bridge Streets.

Mr. Sullivan, has removed his Grocery Store, from near the Railroad Depot to Pike Street. He is well situated just now.

The Magnolia Saloon has been closed. Mr. Lulia says that he is a gentleman of leisure and a man about town, and won't keep that Saloon. He is at the Harrison Hotel.

The North end of Church street will be opened shortly, we hear.

Mr. Robt. Powell, nearly lost his Dwelling House last Sunday night, by carelessness in handling Coal Oil.

Our friend Napoleon Debin, of the Clayville Precinct, is very sick, and has come to Cynthiana to be placed under the care of some of our Doctors. We hope he may recover. Mr. Baker, recently purchased from Mr. Wm. Veach, a very comfortable residence on Church Street for \$900 cash.

The 6th of next month is the day set apart by the colored population, to "Salvate" the XV. Amendment. We hope the darkies will keep sober. Mumps and measles have disappeared from Cynthiana, and we hope not to have a renewal of them again soon.

An "event" has taken place in the family of the "Warsaw News." It weighed ten pounds.

King McGhee, a negro Ku Klux, was sentenced to the penitentiary from Hickman the other day.

A fishing party left this city on Monday, and passed down the Road to Robertson's, and angled in Licking until the sun returned in the evening. The Misses Larr's, of this city, and Miss May Smith, of Missouri, daughter of Charles Smith, deceased, of Bourbon, were among the party. The ladies are among the most handsome of our city.

Duncan Harding, of Robertson county, and N. M. Whitehead, were in Cynthiana, yesterday.

Last week our Post Office was robbed. Sunday morning last, the mail bags, letters and a number of stamps were found in the stable of Mr. Wm. Garrett, some miles North of our city. The parties stopped at this gentleman's stable to examine what they had stolen.

Gray Hair is Honorable.
But not desired by young or middle-aged people. Yet it is inherited by some; produced by overwork, mental or physical, in others; and is the result of anxiety in a third class. To all affected in this way we say, use Ring's Vegetable Ambrosia the most reliable Restorative extant. A judicious use of this article gives to gray, bristly hair, the same silky appearance so admired by all.

For sale at Reneker's Drug Store, Cynthiana, Ky.

Covington Items.
James Robinson's great Circus Company performed in Covington, on last Tuesday afternoon and night, at the corner of Tenth and Scott Streets.

The lot which has been purchased by the congregation of the First Presbyterian Church, is 100 feet front by 120 feet deep.

The United States Circuit Court was engaged on last Monday, in the trial of a suit brought by Wilshire, Huston & Co., of Cincinnati, against John McHale & Co., of Covington, to force the latter into bankruptcy.

Newport Items.
Books have been opened in this city for subscriptions of stock to the Licking and Big Sandy Railroad. Thirty thousand dollars were subscribed on Saturday, which is the amount to be taken before the company can be organized.

Two men named Thomas Welch and Jonathan Hodget, got into an altercation on Sunday afternoon, at a saloon kept by Mrs. Rische, on Goodman street, between Brighton and Lowell, during which the former bit off a portion of the latter's lower lip. Constable Jackson arrested Welch and lodged him in jail. The charge against him is a felony, punishable upon conviction, with confinement in the Penitentiary.

Religious.
Rev. J. R. Barbee, baptized 6 persons into the fellowship of the Fal-mouth Baptist Church. Also, by the same, 1 into the fellowship of the North Fork Church, and received three more for the ordinance of baptism, last Lord's day.

MARRIED.
On Monday, April 25th, at the house of Dr. Smith, in Cynthiana, Ky., by Rev. J. R. Barbee, Dr. Charles E. Luba, to Mrs. Pauline B. Ware, all of this county.

On April 21st, by the same, Braxton Colville Miss Louisa F. Jett—both of Pendleton county, Ky.

On the 21st of April, 1870, at the residence of David Corliffe (uncle to the bride), by Elder H. C. Victor, Mr. William I. Smith and Miss Isabella F. Miller, all of this county.

Mr. Gus Pugh married Mrs. Margaret Ewitt, widow of Col. Sam. Ewitt, deceased, on Tuesday last.

At the Mortuary Hotel, in Cheltenham, O. on April 26th 1870, Mr. S. S. Barbee and Miss Mattie Wells, all of this county.

On Wednesday, April 20, 1870, in Lexington, Mr. Neal McClelland and Mrs. Lizzie Higgins.

Good blue grass for mares left to breed, and grain if required at reasonable rates. All care taken to prevent accidents or escapes, but I will not be responsible should any occur.

DESCRIPTION AND PEDIGREE

MAYFLOWER is a fine and very rich and variegated, 15½ hands high, 4 years old, weighs 1,050 lbs., in form, style, action and energy he has no superior. He goes all the elegant, fashionable and fancy saddle gait in the most inflexible style, either by the touch or spur. His oldest colts are now coming in use and all who have them think them the best they have ever owned. Some few may be found in or near Cynthiana at this time. Those who have any taste for saddle stock would do well by calling to see the horse, and also his produce.

Mayflower was exhibited at the State Fair two years ago; the judges were unanimous in their opinion that he was the best saddle horse in the ring, as also every person who has seen him, as no horse bears such a reputation as a sure footed getter.

Mayflower was raised by Bob. Adair, of Mayville. He was sired by the old imported Arabian Stallion Mayflower, his dam a sorrel mare by imported Buckhunter, Grand dam imported Bay Kitty.

I will take pleasure in showing the horse to persons by their calling at my Office, on Main Street, in Jones' Row.

Imported Arabian Fysaul.

He is a handsome breeder, a pair of geldings by him sold for \$5,000.
